We, the Shield staff, would like to offer a "welcome" to each person who turns through the pages of this first annual of Northfield.

This book contains page after page of memories, and we sincerely hope that the memories are all pleasant.

Dedication

The world of tomorrow depends upon the youth of today, and the youth of today must have the proper education to make that world a richer, safer, and happier place in which to live.

For this reason we would like to dedicate the 1962-1963 yearbook of Northfield High School to the future of the school and to each student who attends classes here.

We have rapidly approached the final days of our first year at Northfield. Many important "firsts" have occurred during this time—the first day of school, the first football game, the Christmas dance, dedication of our school, the first Northfield Junior-Senior Prom, and most recently, the first Northfield High School Commencement.

Our school has been established as a consolidated unit to provide improved and varied facilities for both the youth and adults of the community. We believe that the patrons of Northfield know that education is a primary part of a great nation's foundation; to build that foundation, it is necessary that young people acquire certain fundamental skills, habits, and attitudes. Only in this way can they become responsible members of their communities and of their country.

I have been privileged to serve as principal of Northfield this year. This has given me a greater perspective of education—its changes and its continuing challenges. To the Class of 1963, and to the future classes of Northfield, may your successes be rewarding. May you also remember this—

"There is a destiny that makes us brothers;
None goes his way alone:
All that we send into the lives of others
Comes back into our own."

Edwin Markham

Wilbur Daves

Vice-Principals

I feel that this first year at Northfield has been one that will long be remembered by many. Where else but in a country and community like ours could the remarkable achievement of consolidating four areas into one be accomplished with so little turmoil and strife. We have a lot to be grateful for in this our fine new building and the educational opportunities presented here.

I know that as your guidance director many things did not get accomplished that were hoped for, but ground work has been laid for the future that will offer to each and every student the type of service he needs and wants.

It has indeed been a pleasure to be associated with so many fine students and faculty as has been my privilege during this school year.

Wayne E. Jansler

The first year of Northfield athletics has been a complete success. The student body, the faculty, and the parents as well as other patrons have made this so. In the future when we look back on 1962-63 we will have great recollections of our first athletic teams.

Progress, however, will be our password. We look forward to our new football field, baseball diamond, a complete physical education field. We look forward to adding wrestling, tennis, and gymnastics to our programs.

Greatness will be achieved by a determined group; the Norsemen have proven this year to want to be this type of group. Good luck to the class of 1963, our first alumni. Never give up the classes to follow.

According to the recommendations of the National Association of National Honor Societies we are allowed fifteen per cent of the senior class and ten per cent of the junior class as members of the Northfield Chapter. A student must have at least a B average during his high school years on his semester averages. He must be above average in addition to Scholarship, in Character, Service, and Leadership. The faculty may vote on any of the students who are eligible scholastically and from this first vote a faculty committee consisting of the principal, National Honor Society sponsor, and at least four others make the final selection as to who will become members.

At any time during his junior or senior year a student drops below the B average or is involved in serious discipline problems he will be dropped from the Society. This will be determined from his semester averages and from the faculty committee.

Northfield Dedication

The National Exchange Club of Wabash presented the Freedom Shrine to Mr. Dawes on behalf of Northfield High.

The keys of the school are presented by Mr. Thompson to the Metropolitan Board Members.

Northfield was honored with the visit of Representative Roush. He spoke to the student body on "The Life of a Congressman." Afterwards he presented a flag to the school. This flag flew over the Capitol in Washington, D. C. Joe Hudson, President of the Student Council, received the flag for the school.

Flag Presentations

Wabash Post of the V.F.W. presented a flag to the school.

A.F.S. Student

Dear Friends:

This is your foreign friend of 1963, taking this opportunity to thank you, each and everyone, for your kind and generous hospitality, but most of all for your friendship in my year at Northfield. Although I can thank you in words, I can never really thank you for all the wonderful experiences I enjoyed.

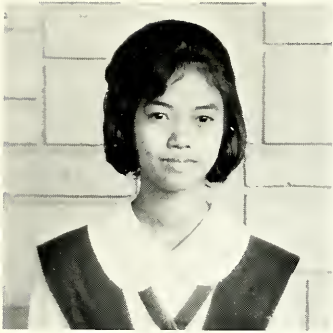

When you read this, I will probably be back home on my 'Island of Sunshine,' never more to freeze in below zero winters! But I will always have with me the memory of a wonderful year in Indiana, and particularly at Northfield. However, I hope I won't always have with me the twenty pounds I gained during the year! (Thanks to good American cooking).

I want to say "thank you" to the teachers for being so friendly and understanding, and most of all for putting up with me this long.

Good luck and happiness to all of you.

Your friend,
Rosemary Rayside

A Page of Tomorrow

Illuminda de la Cruz Pabalan from the Philippine Islands will be the American Field Service exchange student at Northfield 1963-1964. She will stay with Mr. and Mrs. Robert Miller and family.

Luming, as she is known, is interested in taking English, dramatics and public speaking. She enjoys cooking, sewing, acting, and sports. Her athletic interests are badminton and volleyball. Basketball and baseball are her favorite sports.

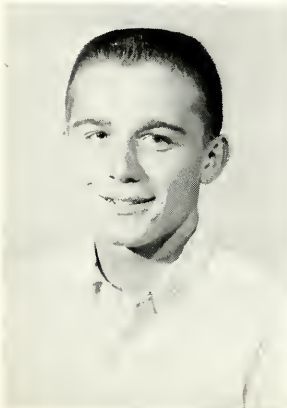

Barbara Miller has been chosen to go abroad on the American Field Service Program this summer. Barbara is to stay with Mr. and Mrs. Maris Bianchi in Sao Paulo Province in Brazil. She is to be with a Brazilian family where only her two Brazilian sisters speak English. Mr. Bianchi is a farmer.

Record

The junior band has completed a very successful first year at Northfield High School. They have set some rather high standards at which future bands may shoot.

The junior band's public debut was December 16 at the Christmas Concert. They next performed in a concert held on March 21. On March 30 they participated in State Band Contest at Columbia City and received a superior rating.

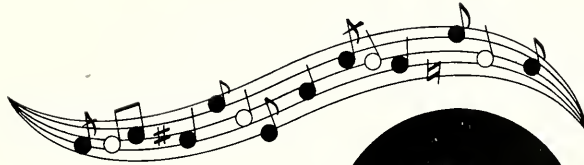

The band rounded out the year on May 16 with a performance before the student body.

Editor's Note

We, the 1963 Shield Staff, hope that this, our first annual, will be one of your most prized possessions from Northfield High School. We have tried to catch glimpses here and there of the past year, so that in years to come the activities of our 1963 school year will not dim and will not fade from memory.

In the future years, we hope that you will look back and recall the good times we have had this, our first year.

We wish to thank those who have helped us in any way to make the Shield a success.

A special thanks is given to Mr. Baker, our advisor, for his much needed help.
